No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

My current main bus route is from prebbleton to Lincoln University and return, this is a 10min ride but requires a change of zone fair. I like the idea of removing the zones from the current system and lowering the cost to all users. Would support option 1 if evidence showed it would increase user more than option 2. Either option I'd use the bus more

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No
