**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

15– 24 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

This would greatly increase the amount of bus users, especially uni students who do not have access to a car like myself. I would use the bus much more often if I did not have to pay \$2.65 every time I caught it.

---

**Any other comments on bus fares?**

More funding should be allocated to buses so that the current adult fee can decrease. And bus drivers should get a wage increase if more travellers use the bus.

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Don't know

---

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**Where did you hear about the consultation?**
