Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

A flat fare at a lower rate seems more fair for everyone, especially low income households.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Make bus fare cheaper for everyone so that people would take it more and use their cars less. Also extending the bus routes and schedules as well as adding new routes because some travel routes can be really inconvenient if you don't live near a specific bus route.

Where did you hear about the consultation?
