Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

65+ years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I believe some fee needs be paid. Option 1 is too easily abused, passengers need to take some responsibility.

Any other comments on bus fares?

How about an early bird fare, eg, for those passengers who get on a bus before 7am.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Central government in charge of roading, etc. And, so they should be.

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

Dairy industry, in particular, along other intensive animal farmers need be more financially responsible.

Where did you hear about the consultation?
