**Which age category are you in?**

40-64 years old

No

---

**Which bus fare structure option would you like to see trialled?**

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

Because if you raise the fare, people will stop using the bus and use some other form of transport. Also it would be best with a cheaper fare and a lot easier to pay than changing the fare (i.e. raising it higher). Also I would propose that as stated in option 1 that community card holders travel free to be included in option 2.
