Which age category are you in?

15– 24 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I am a student and I know how hard it can be to make ends meet with rising rent prices etc., I spent some time in Auckland and I definitely think their reduced student bus fees make it easier for students to get to class and make the most of their education.
