Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I am on a winz benefit because I can only work part time as I have fibromyalgia. I have a community services card. With free fares, it would be a saving of \$25 per week for me. Not much for some but a lot for me.
