No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

As a student who grew up below the poverty line, I was deterred from using the bus as often as I would have liked to as it just wasn't in my budget. My peers and I would use the bus almost daily if it were as accessible as it would be under Option 1.
