Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Option 1 will have the biggest impact in supporting those who can't drive, or find it difficult to drive (due to age, financial situation, disability etc). This option also delivers the biggest potential benefit in reducing greenhouse gas emissions.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Give free metrocards to every child starting intermediate or secondary school (if they don't have a card already).
