---

**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

40-64 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

We need to get our young people onto buses & out of cars

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Yes

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

If we get people out of cars then reuse the road repair budget to fund this work

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

---

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

Helping those with houses around rivers lift their foundations above flooding heights. Build hubs people can drive to & then bus or rail into town

---

**Any other comments on future funding for responding to climate change?**

Just get on with it as we are running out of time

---

**Where did you hear about the consultation?**
