Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

I like the idea of only paying \$2 for the fare

---

**Any other comments on bus fares?**

I don't support tertiary students getting free or subsidised fares. Why penalise me and make me pay more just because I didn't choose to go to university or college. This screams discrimination and if they get cheaper fares than workers such as myself should also be given a subsidy or free travel.
