No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Reduction in cost for the most groups. Limiting free to card holders may not capture all disabled users that rely on the bus- but a flat cost that isnt linked to engagement with an external system would benefit users (including those who may not be able to navigate those systems). Further more a cost reduction is more likely to encourage users to bus more frequently.
