Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 3: Tertiary student concession

Tell us more about why you support the selected bus fare option.

On the option 1 should have The gold Card Holders included. since retired I try not to use my car and use the Public Transport it's my contribution to the climate change programme. There should be more encouragements from your organisation for the public to contribute and do more to help.

Any other comments on bus fares?

Gold Card holders should travel free 7 days a week

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Central Govt

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

N/A

Which option for distribution of rates in Ashburton River rating district do you support?

Option 2 (status quo): Keep the current distribution of rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Don't know

Any other comments on future funding for responding to climate change?

N/A

Where did you hear about the consultation?
