25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I would like the cost of buses to be cheaper than parking in the city. By reducing the adult fair costs?, more people are likely to take public transport.

I don't have a preference
