Hei Hei, Christchurch

---

**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

40-64 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

It will encourage more people to use the public transport

---

**Any other comments on bus fares?**

Trial the option 2 on weekends first. I'm afraid if the fare is too cheap, the bus is always full and some people will miss the bus

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Yes

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

Yes

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

Option 2 (status quo): Keep the current distribution of rates in the Ashburton River rating district.

---

**Would you support a levy to accelerate action in response to climate change?**

No
