Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Encourage more workers to use public transport for work and other activities. I may be wrong but I think that demographic is key to changing the mode of transport culture within families and communities.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

It is far too easy to propose expensive climate change adaptation and mitigation initiatives that place a heavy financial cost on the community, especially the vulnerable. Seek solutions that do not add to this burden.
