Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It would encourage use of public transport from an early age and create a norm of using the bus

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Additional city infrastructure to support medium density housing, incentives for businesses to become carbon neutral and penalties for them not doing so

Any other comments on future funding for responding to climate change?

Climate change will be the defining issue for the planet going forward. This should be top priority for local and national government

Where did you hear about the consultation?
