25-39 years old

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

We are a low income, single parent family. I work in town and both myself and my daughters need to catch buses every day. Paying to top up bus cards every week for 3 people can get expensive, there have been days where we have had to miss work or school because we don't have the \$10 minimum top up amount and the cash fare is too expensive and we never have cash on hand anyway

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Don't know

I don't have a preference

---

**Would you support a levy to accelerate action in response to climate change?**

Yes
