Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

I supported both option 1 and 2. Option 1 make sense for working adults to pay but rates for homeowners is slightly more than option 2. Option 2 has reduced the pricing compared to the current price and won't tax the homeowners as much compared to option 1. From a homeowners and bus commuter point of view, option 2 might be beneficial to more people than option 1.
