Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I'm a uni student. I can't afford the \$25ish a week it costs to bus back and forward to uni so a lot of the time I end up not going. If there were free bus fares for students I would be able to attend my classes in person and be a better student as I would have a way of getting there and back.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Would you support a levy to accelerate action in response to climate change?

Yes

Where did you hear about the consultation?
