25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I am a tertiary student living off VERY minimal funds. Bussing into university everyday is literally more expensive than me driving. I would 100% bus if it was cheaper/free!

Any other comments on bus fares?

Thank you for considering tertiary students!!
