No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

I have a special needs young adult. He is 19 years old and will be attending a special school until he is 21. I think it is unfair that he had to pay an adult fare while he is still a student at high school
