40-64 years old

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

Children in other countries such as the UK are free and this should be the same here in NZ. This will encourage more students into buses and save families a massive amount of money, especially those who have a number of family members who use the bus. I would also be encouraged to use the bus on more family outings if my children are free.
