Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

So that those with limited opportunity to earn money can have cheaper travel, and access things a bit easier.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Surely, this is something scientists and experts should answer. Whatever intervention is most effective and affordable. Well-connected cycling tracks, bike parts in convenient locations, and reducing fares for public transport all seem to steps in the right direction. Perhaps cycling campaigns to encourage more people to give cycling a go.

Any other comments on future funding for responding to climate change?

Please get proper scientific advice on cost-effective interventions useful in NZ context so that this doesn't become a box-ticking activity.
