Email address

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

So all can benefit from lower fares.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Do less protection work. Less funding needed.

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

The user should pay. Not the rate payer.

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

Do less.

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

No funds for climate change.

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

Do less and lower the rate take.
