Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

I think that reducing fees overall would be good as this would increase uptake by many, even for the working person the current fare is to expensive to use for commuting each day of the working week.

I think it should be fee free for all community service card holders and \$2 for everyone else.
