Anonymous User just submitted 'Draft Annual Plan 2022/23 submission' with the responses below.

**First name**

Larna

---

**Last name**

Reynolds

---

**Email address**

---

**Suburb**

Halswell, Christchurch

---

**Phone number**

---

**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

40-64 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

I have two children that use the bus at a cost of \$30.00 per week. The saving would allow us to use the money saved towards other rising expenses food, petrol, school costs, etc.

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Don't know

---

**How else might we pay for our share of this work?**

Don't know.

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

By the residents of the area that utilise them and government funding

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

---

**Any other comments on flood protection in Ashburton?**

No

---

**Would you support a levy to accelerate action in response to climate change?**

No

---

**Any other comments on future funding for responding to climate change?**

Should be government

---

**Any other comments on Environment Canterbury's draft Annual Plan or other matters?**

Where is the money that was allocated for all of the ccc events - such as Xmas in the park? Why when there are more houses being built are we facing rate hikes again and now a charge for excess water - but still rates keep going up!!
