**Subject:** Submission on draft Annual Plan 2022/23

Anonymous User just submitted 'Draft Annual Plan 2022/23 submission' with the responses below.

**First name**

Traci

---

**Last name**

Gibson

---

**Email address**

---

**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

40-64 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

---

**Tell us more about why you support the selected bus fare option.**

The \$2 flat fee means that all adults will get the benefit of the trial. If it only benefits certain groups then that is completely unfair for regular loyal bus passengers.

---

**Any other comments on bus fares?**

If rates are going up (which no-one can afford if they don't get a pay rise) then I say leave it as it is, keep the status quo and scrap the trial.

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

No

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

---

**Would you support a levy to accelerate action in response to climate change?**

No

---

**Where did you hear about the consultation?**

Environment Canterbury website
