**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

I want to encourage people to use buses. Having under 25s free would instill an excellent habit of using public transport. Hopefully this would continue on when they get older. It would also help the ones who can least afford it.
