Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 3: Tertiary student concession

Tell us more about why you support the selected bus fare option.

Because the rates bill is already putting me under hardship and keeps going up soooo much. Please please have some compassion. Please don't do this.

Any other comments on bus fares?

I agree uni students should have cheaper fares. But nobody needs free fares. Please have compassion on residents and don't put the rates up any more PLEASE PLEASE PLEASE.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

Budget more carefully

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

budget more carefully - rates are enormous

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No

Any other comments on future funding for responding to climate change?

Seriously - budget what you already get from us!!! Do you seriously want us to donate limbs!!!!

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

Get the law changed so we don't send our water overseas. Your job is to protect our resources so how about you do that!!!!

Where did you hear about the consultation?
