Yes to discounts for school kids and people Studying

Any other comments on bus fares?

No to rates increase to pay for any of this. Why should you base what we pay on the value of my house. I've worked hard to get where I am and i use no more roads. Sewer etc than the person in the cheaper suburbs so why should I be penalised because my house is worth More. The whole rating system is wrong !!

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

How else might we pay for our share of this work?

Make the people in those suburbs pay for it in their rates

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Government
