Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 2: \$2 flat fare for adults and \$1.20 for children across bus zones 1, 2 and 3

Tell us more about why you support the selected bus fare option.

Option 1 will encourage more CHILDREN / STUDENTS to use the bus, but not fee paying adults. As a user of the bus on a daily basis, the number of school children on my route (No. 5) in the afternoons virtually precludes anyone else using the bus.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

No

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

No

Where did you hear about the consultation?
