Allenton, Ashburton

Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

Those people that need the support are given it and those that can afford the normal fare pay for it. However, the normal fare needs to be kept affordable.

Any other comments on bus fares?

They whole system needs to be simpler, more user friendly and modernised, such as making use of phone apps as well as metro cards.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

Regional funding from the government.

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

It should be a nationwide approach, paid for not only by rates but also by our taxes.

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

No

Where did you hear about the consultation?
