Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

We must support a transition away from car dependence asap!

Any other comments on bus fares?

Make them free to all

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How else might we pay for our share of this work?

Tax farmers who have transformed land to reduce water holding capacity (cutting down trees etc)

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Transition away from Chch being a car-centric city. Ie free public transport, investment in cycling infrastructure. Also the planting of trees to increase resilience to extreme heat in summer

Any other comments on future funding for responding to climate change?

Speed up the green transition urgently
