Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

Tell us more about why you support the selected bus fare option.

We urgently need to be working to address the climate crisis, and providing accessible public transport is part of that.

Any other comments on bus fares?

They should be free for everyone, but this would be a good start.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

No Answer

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Investing in re-greening projects, more resilient infrastructure, community-based approaches.

Any other comments on future funding for responding to climate change?

Need to be pushing for doing the most possible work.
