No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Any other comments on bus fares?

Diamond Harbour ferry should not be excluded- this is a rate paying & growing area of Greater Christchurch. By including the ferry it shows a commitment by CCC to reducing emissions by encouraging the most citizens as possibly in their area to be able to get out of their cars and on to public transport.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Where did you hear about the consultation?
