Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

The bus system is absolutely essential in student life, and with rising fuel prices, this is an opportunity to get more young people and the other most crash adverse groups in nz off the roads and out of cars

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

Which option for distribution of rates in Ashburton River rating district do you support?

Option 2 (status quo): Keep the current distribution of rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Grants given toward progress in solar compatible farming strategies in the area

Any other comments on future funding for responding to climate change?

Put money into it, no one young is gonna complain, the earth is gonna get preeety miserable if we dont

Where did you hear about the consultation?
