Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

40-64 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

The increase of food, fuels etc one less item to worry about topping up children metro card for school. Also encourage young adults to keep using the bus service for education and work, rather than thinking about learning to drive. Metro sports centre plan to open in 2023 encourage people to use the bus and use the sports centre.

Any other comments on bus fares?

I like option 2 as well.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

Not sure

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Climate changing all the time we a plan in place to help everyone doesn't matter if you live in the city or rural areas flooding effects everyone.

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

We need to provide a future for our children. Green jobs and environmental courses as part schools curriculum.
