25-39 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

As a student, parking on campus costs a lot so I take the bus 10 times a week, once there and once home every day. It all adds up in the end and this option makes it more manageable for those who like to be on campus for learning
