Anonymous User just submitted 'Draft Annual Plan 2022/23 submission' with the responses below.

**First name**

**Last name**

**Email address**

---

**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

15– 24 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

I like Option 1, because it means that one cost is totally removed for people who may need it. This could be removing a barrier that people face for education and healthcare.

---

**Any other comments on bus fares?**

I would like to note that Option 1 only applies to a small number of people. Option 2 provides lower rates for all bus-users. I know a number of people who do not fall into the required categories for Option 1 who would greatly benefit from reduced bus fares.

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Don't know

---

**Where did you hear about the consultation?**

Word of mouth
