Subject: Submission on draft Annual Plan 2022/23

Anonymous User just submitted 'Draft Annual Plan 2022/23 submission' with the responses below.

First name

Liam

Last name

Hooper

Email address

Suburb

Riccarton, Christchurch

Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

As a student I found it's cheaper and more convenient to run my car than take the bus to and from central city. As a high school student in tiamru I was priced out of taking the bus when I turned 18 while I still needed to get to school either way

Any other comments on bus fares?

Public services don't need to make a profit.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

Idk bake muffins I'm only here for the bus fare thing

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Have a budget?

Which option for distribution of rates in Ashburton River rating district do you support?

Option 2 (status quo): Keep the current distribution of rates in the Ashburton River rating district.

Any other comments on flood protection in Ashburton?

Don't live there so I shouldn't have a say

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Electric rail from rolliston

Any other comments on future funding for responding to climate change?

Reduce roads increase trains, I should be able to take the train from chch to timaru and back again. And trains in the city etc

Any other comments on Environment Canterbury's draft Annual Plan or other matters?
