Are you submitting on behalf of an organisation?

Yes, I'm submitting on behalf of an organisation

Which organisation are you submitting on behalf of?

University of canterbury

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

It would make me use the bus instead of my car. Many students would really appreciate fares free, and make people want to bus if it was free/cheaper. it would lessen the stress of young peoples everyday lives especially students. Thank you

Any other comments on bus fares?

if not fares free making it cheaper would still really help

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

yes if it isn't an emergency, if its gradually being paid back it will still happen. also volunteer work could be an option

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

clean ups, crack down on cleaner agriculture absolutely no run offs into waterways. with free bus fares will equal less people driving in cars benefiting the environment

Any other comments on future funding for responding to climate change?

climate change should be top priority for future generations

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

make volunteer groups accessible or more aware?
