---

**Tell us more about why you support the selected bus fare option.**

More cars off the roads

---

**Any other comments on bus fares?**

High fares restrict use of transport

---

**Is borrowing and repaying through general rates the right approach for this regionally significant event?**

Don't know

---

**How else might we pay for our share of this work?**

Buy them out of flood prone areas, it's just going to happen again. Raising bridges and roads.

---

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

Borrowing, or some other similar method.

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

---

**Any other comments on flood protection in Ashburton?**

Has levies or other protection engineering methods being considered.

---

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

Evacuation of the most vulnerable areas and structural efforts designed for the future.

---

**Any other comments on future funding for responding to climate change?**

It just has to be done!

---

**Any other comments on Environment Canterbury's draft Annual Plan or other matters?**

Borrow now, save later.
