Phone number

Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

as I feel that children and students should not pay for public transportation as it may only be their transport around the city.

Any other comments on bus fares?

n/a

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

with tax money as it seems at the moment it isn't going towards the things we need

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

yes

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Any other comments on flood protection in Ashburton?

n/a

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

I would't have a clue as like I said before they keep spending money on things we don't need

Any other comments on future funding for responding to climate change?

n/a

Any other comments on Environment Canterbury's draft Annual Plan or other matters?

n/a
