Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

25-39 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

More people using buses is essential to lowering emmissions and our reliance on fossil fuel.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Yes

How else might we pay for our share of this work?

Sale of assets

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

Purchase of land for forestry - sell when needed and hold when not. A continuous system that would help pay for events like this in the future. Could potentially be suplemented with short term loans but this majority would come from harvest of forestry.

Which option for distribution of rates in Ashburton River rating district do you support?

Option 1 (preferred): Redistribute rates in the Ashburton River rating district.

Would you support a levy to accelerate action in response to climate change?

Yes

What current or future projects or activities would you like to see funded by such a levy?

Movement of key infrastructure away from coastal or flood risk areas. Eg any rubbish dumps, railways, sewerage works etc.

Any other comments on future funding for responding to climate change?

This should have begun 20 years ago...

Where did you hear about the consultation?
