Are you submitting on behalf of an organisation?

No, I'm submitting as an individual

Which age category are you in?

15– 24 years old

Do you wish to speak to your submission at a Council hearing?

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

A large number of high school and university students either bus or could bus, but the cost of at least two daily trips, five days a week, can be very offputting, to both the student and their parents.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?

I know incredibly little about this topic, so please take that into consideration when reading my answer. Perhaps splitting the costs between various agencies, so that there's less for each to pay.

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes

Where did you hear about the consultation?
