No, I'm submitting as an individual

Which age category are you in?

40-64 years old

No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

The bus is my only form of transportation and I am a regular customer. I also have a mobility issue as well. However I also would be happy with the flat fare of \$2.00 across the board as that gives everyone a fair fare.

Is borrowing and repaying through general rates the right approach for this regionally significant event?

Don't know

Which option for distribution of rates in Ashburton River rating district do you support?

I don't have a preference

Would you support a levy to accelerate action in response to climate change?

Yes
