**Are you submitting on behalf of an organisation?**

No, I'm submitting as an individual

---

**Which age category are you in?**

25-39 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

---

**Tell us more about why you support the selected bus fare option.**

Free fares will encourage more people to take public transport. This will reduce personal car usage which will reduce emissions. It is also good for people's mental and physical health.

---

**Any other comments on bus fares?**

It is great that under 25s are being targeted as this can install the habit of taking public transport for our young people, which they will carry on in their lives.

---

**Would you support a levy to accelerate action in response to climate change?**

Yes

---

**What current or future projects or activities would you like to see funded by such a levy?**

-Decarbonised and more frequent public transport, increased walk and cycle ways, urban ngahere and food forests

---

**Where did you hear about the consultation?**
