No, I'm submitting as an individual

**Which age category are you in?**

15– 24 years old

---

**Do you wish to speak to your submission at a Council hearing?**

No

---

**Which bus fare structure option would you like to see trialled?**

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

**Tell us more about why you support the selected bus fare option.**

Bussing is my main form of transport but it is expensive and this sometimes makes me miss opportunities. I would pay less with increased rates than I do with current bus fares.

Don't know

**How do you think recovery from flooding of this scale – events that impact state highways, bridges, rail and power for example – should be funded in the future?**

Maybe an emergency fund budget that comes from living in high risk areas like insurance

---

**Which option for distribution of rates in Ashburton River rating district do you support?**

I don't have a preference

---

**Would you support a levy to accelerate action in response to climate change?**

Yes
