No

Which bus fare structure option would you like to see trialled?

Option 1 (preferred): Fare-free for under 25s, students, Total Mobility and Community Services card holders

Tell us more about why you support the selected bus fare option.

The reasoning behind the choice of free fares on public transport is due to three reasons, Cost of living; for students, disabled people and those who are dependent on financial aid, the benefits of having easy access around Christchurch without having to worry about the money necessary be extremely beneficial and help ease the financial burden of having a car. Second reason is the impact on the climate and the fight against global warming, which is pretty self explanatory and lastly it is a step in the right direction for a more fair society

Is borrowing and repaying through general rates the right approach for this regionally significant event?
